The World's Most Advanced & Fully Automated (Non-MLM) Wealth Creation Program

Dear Wealth Seeker,

Thank you for visiting our main PAS Introductory website today and downloading your PAS brochure. This brochure contains the entire content of the main website, together with links back to the relevant sections of my website.

The whole evaluation process will take no more than 10-15 minutes, but believe me, the time you spend evaluating the business will be very well worth it - compared to the endless hours you could spend *(or have already spent)* scouring the Internet for a viable home-based business program.

Remember, once you become a PAS business owner, all you ever need do is invite people to your PAS website. **That's it!** PAS will do literally everything else from there, including the personal telephone follow-up and the closure of all your sales for you - and a whole lot more. No other home-business even comes close.

Even if you're a complete novice, and you have no business, internet or marketing experience, that's not a problem, as we'll show you the simple steps to follow in order to generate yourself an absolute fortune. We're talking fully automated, hands free, unlimited income here. **Making money from home just doesn't get any easier than this.**

Better still, your PAS system can also help you make **additional income** by generating enquiries and sales relative to **any other** home-business opportunities or affiliate programs you are currently involved with. Whichever way you look at it, and with all the *multiple income streams* working within your PAS business, you simply cannot fail.

So if you're ready to take the next step, and you're ready to start generating yourself a substantial automated income from the comfort of your own home, without any selling, prospecting, answering questions or speaking to prospects ... be sure to study this brochure, then revisit our website and submit a ***Quick Callback*** request - and a friendly PAS representative will be happy to call you to chat further and answer any questions you may have. You're never under *any* obligation at any time.

Here's the bottom line: **PAS works**. It works for everyone, and it **will** work for you too.

We look forward to welcoming you into the Mega Wealth PAS family *very soon* ...

What is the Prosperity Automated System?

Automatically Market **ANY** Website, Product or Opportunity

Following many years of development, and with an investment in excess of $3m, The Prosperity Automated System (PAS) is quite simply the most advanced online business & prospecting system of it's kind in the world today.

It is a very powerful prospecting and sorting system which attaches itself to the search engines, and attracts people who are serious about building an online income. It then electronically sorts through all these prospects to weed out the tire kickers, so you don't have to - by talking with each prospect personally. This saves hours upon hours of phoning strangers and cold calling .. .something that is for most a major cause of failure.

The result is that only serious buyers remain in your system. If they purchase a system from you, that's great! If not, they can still generate revenue for you via purchasing one of your additional products or opportunities. This is achieved via our *Megawealth-Adwords*™ module and the strategic placement of up to 6 high-visibility product ads, featured within your main website So, if you already have a product range to market, or you are currently involved in any other home-business opportunities or affiliate programs, your PAS system can help you make **additional** income generating product sales too.

Note: If you don't already have a high profit generating additional product, we'll be happy to suggest a variety of possible businesses or affiliations that create additional revenue streams for you. Whichever way you look at it, and with all the multiple income streams working within your PAS business, you simply *cannot* fail.

The PAS system, hosted on the Prosperity Network servers, is sold on the basis of a license agreement, as is virtually all software. You purchase the rights to use this automated system for either 12 or 36 months, depending upon your level of purchase.

So simply look at PAS as very similar to paying for a service, just as you would do a telephone company or Internet service provider - i.e. you are paying to access and use their service, you are not buying or paying for a physical product.

You are also (of course) indirectly paying for the PAS system to generate prime quality leads (prospects) and for the PAS sales team to follow up on all your leads (prospects) for you. Ultimately, you either "use" the PAS system to help you market any other home business you are currently involved with - or you use the PAS system and allow it to market itself. The choice is yours ...

PAS Business Owner Written Testimonies ...

Check out the following written testimonies, received from delighted PAS Business Owners around the world. Again, these are all **REAL** people making **REAL** money and attaining **REAL PASSIVE WEALTH** from their respective PAS businesses ...

"Hi, I am Tod Bell. I am a full time business man, a husband of one wife for 21 years and father of six children. I joined PAS in Mid-March, 2006. I am not a marketing guru by any means. In fact, I call myself the INTERNET IDIOT. But, since March to this date (July 29) **I have made over $130,000 with PAS.** I have not done it by knowing the slick marketing tools of the masters of the internet because I truly do not know them or have time to learn. It has been two things: the excellence of the PAS business model and simple email marketing. That's it! This has been a life-changing four months and I look forward to generating half a million dollars a year with PAS!" – ***Tod Bell, USA***

"I've operated my own direct-response and publishing business for the past 12 years now, and I have never before seen a business with such explosive income potential. **PAS closed over $140,000 (£80,000) worth of business for me in my first 5 weeks** - and I now confidently expect to generate an income in excess of $3m from my PAS business over the next 12 months. What's the secret? There is no secret. You just spread the word of PAS far and wide ... invite prospects to your website ... and let PAS close the leads. Carry on doing that, and you will generate yourself an absolute fortune. Make no mistake. PAS really is the #1 Home-Based Business in the World today ... and I'm really proud to be part of it." - ***Simon Johansson, UK***

"I have never seen a business as powerful as PAS. My business partner, Sally Darling, and I have made over **$200,000** and feel absolutely blessed. And that $200,000 does not include the money we've made marketing our other business opportunities with PAS. So when you combine a powerfully lucrative PAS compensation plan with a truly strong product, you've just hit the ball clear out of the park. If you're serious about making money.....you had better consider PAS. It has completely changed our lives, and has given us both financial and time freedom." - ***Gail Rahill***

"I started my PAS Enterprise back in December, 2005. A month later, I was able to retire from my full-time job thanks to the income I had created with this. Later in May, my wife and I were able to purchase our first home... a 4-bedroom, almost brand-new house that otherwise we would've never been able to afford. This business has allowed us to buy our lives back. We're now living out our dreams and raising our 1-year-old daughter. We enjoy a 5-figure monthly income and we're only 24 and 25 years old." - ***Leo de Leon, USA***

"PAS is the greatest business I have ever been a part of. The system is so well organized. I had a baby in January and did not think I had the time to do it. I finally joined in late March, and simply by following a simple system, we have earned over $128,000 in just 5 weeks! It blows my mind that it works so easily and effortlessly! I finally have a program that I know EVERYONE can do! Thank you so much for changing my life." ***- Deb and Tony***

"We have promoted online now for several years, but have never earned what we have with PAS in such a short time. We are literally earning yearly salaries monthly and couldn't stop the momentum if we wanted to! We are **averaging $2500 a day, without speaking to anyone... What a business!"**
- James and Kimberly, Las Vegas, NV

Approximately twenty months ago I became aware of PAS and saw it as a potential means to vacate Corporate America and maintain a serious cash-flow. With the success I have already realized and the impressive technology enhancements, which have recently been incorporated into the program, my goal is coming closer and closer to fruition! Thank you, PAS!" - ***Bill Tatum***

"I want to thank you for this awesome opportunity. This is the first Internet business that I have made money with and I have tried a lot of them. The reason everyone can succeed here is that it is totally automated. **I have made $12,000 in the past few months** and the hardest work I had to do was be patient. It will happen for everyone here. With this opportunity I will be able to get out of debt by the end of this year and start living debt free. Start enjoying life !!!!" - ***Bill Rislov, USA***

"Just a note to say thanks for all your efforts and integrity. You have delivered everything that you promised and from what I have seen on the Internet, that is unheard of in this business. If you remember, I was very skeptical because unlike many, I had never been in an Internet business. In fact, I researched for one and half years and had a good feeling about you and your company. Let me say, thank God I did it. I started at the end of February and to date I have made $6,000. That's about $1,200 per month, which I consider great extra funds. In fact, with the new changes to the website, I believe the best is yet to come. Thanks for all your help." - ***Ed Chisari***

"I was blown away when I got introduced to this system. It's like becoming the CEO of your own global company with a professional sales & marketing team instantly working for you 24/7. I wish I learned about this earlier!" - ***Tim Salomaki, USA***

"Wow! I can't believe it! Team Leader's, thank you for following up on these people! I have tried many systems but have not been nearly as successful as this one! Very exciting! This sure beats trying to sell Life Insurance and being rejected from leads that I have had to purchase and are not interested or end up falling out for health reasons!" - ***Arthur***

"PAS/MWG is by far the best money-making program I've come across during the past 13 years I've been involved with such programs. So I'm very glad you've created this phenomenal business and I'm very glad to be part of it. During my first full month I've earned $16,100." - ***Frederick Mann, South Africa***

I joined PAS on the 21st Dec. 2005, got my PAS traditional website on the 22nd, got my megawealth website on the 23rd Dec. ... AND KNOW WHAT? Before I could even finish reading all that was written at the Admin Page, I got qualified (MY 1st SALE!) on the 28 December 2005. It's the Best Christmas & New Year Present I had. PAS worked and sold by itself. I did nothing. See how powerful this system is?" - ***Rose Wang, Japan***

"On Sunday I mailed out just 100 of your 2 page letter and by Tuesday I had several Opt ins and 1 very keen call back request. Today I have the magical SALE!!!! What a massive return 100 letters = $3,000 profit. Thanks again guys, you are brilliant! - ***Helen Hutchinson, UK***

"PAS is the perfect business for anybody, as it only requires a few minutes a week, and that is to tell PAS where you want your checks sent! I travel a lot, and I like the flexibility that allows me to work this business no matter where I am in the world. I also love the idea that **I can actively promote this with additional advertising on my own, and PAS calls and closes the sales for me!"** - ***Dr. Jeffrey W. Barr, Kennebunkport, Maine***

"I am so excited to have found PAS! After having been in other marketing ventures, and making endless phone calls-----**I was blown away that the PAS System does absolutely everything for me**. I am thrilled about the potential of earning a **6 figure income this year**, yet having the **time to spend with my family**. PAS has changed my Life. It's a Win Win situation for Everyone." - ***Kathleen Rubin, Cherry Hills Village, CO***

"I would never have believed it if it hadn't happened to me. With this multi income system, **I was able to eliminate all debt, except my mortgage in under four weeks and still have $10,000 in the bank.** What other opportunity offers you the ability to **profit $30,000** your first month? Mortgage....I'm taking you down next! Thanks PAS."
- Damon Liebscher, Eagle River, WI

"I have been with PAS since October 2005 and I actually came in at the associate level. I knew it was a longer ride but I was determined to get qualified and I did it in two months. **I have two small children and I did not have much time** to do any other businesses but when I saw Prosperity Automated System Business I knew that I found a real gold. PAS has been a blessing for me and my family. **In February I had 6 sales at the Premier Level.** Just do the math! PAS is awesome!" - ***Tatyana Gann, Nashville, TN***

"I own a bakery and really did not have enough time to promote another business. P.A.S. does all the phone work for me! It just doesn't get any better than this! P.A.S. can do ALL the advertising for me or I can have them do some AND do extra myself BUT **I NEVER have to talk to a prospects and try to convince them** to purchase my product or the P.A.S. system. I know from past experience that TALKING to prospects is the MOST time-consuming part of building a home-based business and I am GREATLY relieved that this is all done for me. THANK YOU, PAS!" - ***Timothy Savage, Perkinsville, VT***

"Hey, this is Joey K. from NY! I would like to thank all our Team Leaders for all of their hard work. PAS just keeps improving and staying ahead of the curve. My system is bringing in more sales now than ever before. I am really excited for what the future has in store for all of us! "PAS has an extraordinary way of making money for you while you do very little ...except enjoy life. **I have been a member for 8 months and have made about $60,000 without really trying.** Imagine what it would be if I made an effort...probably double. What attracted me to PAS in the first place was its integrity. The Management is really honest and does its utmost to ensure you get your monies worth. I am retired from a life-time of working for others. do I love this? You bet!" - ***Michael Brooke, BC, Canada***

"I've never earned so much, so quickly and so effortlessly. My product is marketed for me and so is the system! After people go through the system and speak to a Team Leader they pretty much close themselves. I've **earned $21,000 in 3 weeks** and more people are purchasing daily."

"WOW!! This system is the most awesome thing that I have ever done or seen. Until I found PAS I never really made any money online and now I enjoy the large commissions for shar ing such a wonderful business plan. I can see all my dreams coming true right here right now." - ***Anthony Bowen, IL, USA***

"I was so frustrated after just trying to do the right thing all the time and having a lot of doors slam shut. I have done well in several avenues but my wife and I had just **had enough of working so hard and making less and less.** In January '06 I started a venture on the internet and lost $12000, I didn't get one single result. It was the end, running out of money and **seriously thinking about starting to sell things to make ends meet.**

"Then in early Feb '06 an angel named James, emailed me an ad and it seemed so good I couldn't let it go. After setting up some ads and letting them unfold **I had a $10,100 day on March 10th** and yesterday my wife scheduled a month vacation in Florida and we didn't sell the restaurant yet. Last night a serious buyer for the restaurant approached us and we can't wait to meet with him. This thing is just beginning and with the exposure we are getting in the next month it is something that **I am struggling with to find words to express this windfall** to you. Yearly income in a month. **Finally something that worked for us and to think a few weeks ago things looked so bleak.** Don't make the mistake of saying "another one of those things"! This works and it is real for everyone. Do your self a favor and check it out all the way, for you!"
- Alex Zangari, New Cumberland, PA

"This is Careece Chichester here, I'm 26 years old and I'm self-employed Thanks to PAS. I started with Prosperity Automated System February of 2006 at the $3,895 level. Since then, I'm have been making thousands dollars every month all PROFIT! One of my best weeks is when I made $12,000 (4 premier sale) It only took me one week to pass my one-up to my sponsor Cari Schauer in Canada. After that I had my own table then started making thousands of dollars immediately "hands free income". Anyone, anywhere in the world can do this. I recommend PAS to anyone who wants to live the good life."
- ***Careece Chichester, USA***

"I joined PAS 5 months ago and have been shocked how much money I have made. I was always brought up you have to work hard and smart. When I was receiving $3000 checks after a long day of work I was in amazement. I started out passive and then got very pro=active getting to know people and my PAS business skyrocketed. I love the idea that everyday I have a fishing pole in the water and I may catch a fish. Some days I don't, but others I do. But i catch at least a couple of premium sales a month. When I get more time and work the business I get double or triple that. I look at PAS as an insurance policy for a lot of us who work full time and want to make are money work for us. Figure spending $3,895 for your membership and a couple of thousand over the year in advertising. If you put that $6,000 in the bank even if you can find 10% a year return you have $6,600 at the end of the year. With Pas if you make a premium sale every couple of months your return on investment will be 10 or twenty times your bank interest. Through Pas I have made great new friends and given them a vehicle that could change their financial life. I feel great about that."

"Since February 2006 PAS has been one of the biggest blessings in my life. **A year ago I would had never guessed I would be making $9,000-$12,000 a month (over $40,000 to date) as a full-time graduate student.** The team leaders are truly amazing and are bringing in more sales for me now than ever. If I do ever speak to anyone it's only if they ask to speak to me. What a great feeling to never have to cold call. Now I only speak to warm, friendly and highly qualified prospects. I feel tremendously fortunate to have found such a dream business that will allow me the time and freedom to do what I really want in life...which is NOT working a 9 to 5 J.O.B. (Just Over Broke)." - ***Dustin Callahan, OH, USA***

"I had been looking for a part-time opportunity and came across PAS early this year (2006). Having a full time occupation already, I needed something that would just take up a few hours a weeks maximum but would hopefully bring me a decent income as well. I haven't been disappointed! **After just a few months I have already made a 6 figure income** and because the PAS system and the PAS 'Tour-Guides' do the work for us, I NEVER have to do any selling or make any phone calls...it's all done for us. In my opinion, this is as near a perfect business as you will ever get!"
– ***Julie Wilson, United Kingdom***

"I use to belong to another business opportunity. I'd attend all the conference calls, buy leads, sit down for hours at a time and call people. I never sponsored a single person! After 6 months I had to take a close look at it and say this was not what I had expected, and it wasn't fun anymore! All I really wanted was to have to have an online business that can be run from home, or anywhere in the world. Fortunately I came across one that met my criteria - and that is the Prosperity Automated System (PAS). The system has worked for me. I had a new distributor sign up on Friday 21st July, 2006. They found my web site on the internet, then contacted me, so proof that the automated system works! In my very short time in the business (11 days advertising on the web) I am now qualified at the premier level."
- ***Andy Peckett, CA, USA***

"I was a single mom with four kids and $40,000 in debt from other "opportunities". I needed to find a business that could catapult my meager earnings and eliminate my debt load. When I found PAS, I just KNEW that this was THE ONE!! A short six months later, **I've made twice what my regular yearly wage is and I'm completely out of debt and well into the black!!!** THANK YOU PAS!"
- ***Tammy Visscher, BC, Canada***

"This business has been a god send for us. I qualified the first week and have been in profit since the second month. With all the options of advertising my other programs on PAS page it helped promoting them as well. Thanks Bill and everyone for the opportunity to be involved in this business."

"I joined "PAS" in March 2006 - 20 weeks ago - in the hope it would give me some extra monthly income --- **WOW --- WAS I WRONG!!!!** It has exceeded all my wildest expectations as I have now ***"Sacked My Boss"*** and am working from home full time. PAS is backed by people with Integrity which is extremely comforting to me, so if you are looking to earn some extra monthly income or wanting to find the **Perfect Home Based Business Opportunity** look no further --- **JOIN THE "PROSPERITY AUTOMATED SYSTEM" --- YOU WON'T BE DISAPPOINTED** --- By the way -- My partner Jenny has now joined as a member of PAS in her own right ----We couldn't be happier." **- *Bill and Jenny, Australia***

"Wow! I never would have believed your system was such a money maker. I actually purchased my PAS site because I wanted to do some return business with one of my good customers. I got into PAS, and put a link on one of my sites that gets a lot of traffic, and started getting notices of visitors filling out the form, and then notices of call back requests, and then the money started coming in!

To date I've had over $30,000.00 in checks sent to my house, or money wired into my account from my PAS business. I do a lot of business on the internet, and now tell all my internet friends how wonderful PAS is as an advertising medium for my businesses and how wonderful PAS is as a huge money maker! It's safe to say that I believe PAS to be one of the finest and most profitable businesses on the internet today. Thank you PAS!"
- ***Paul Darby, President of Unimax Services Corporation, USA***

"I'm a professional marketer who has worked full time online for the past 6 years. I have never been involved with a business that is so simple, yet has made me so much money in such a short time. After 2 months of diligently working my PAS business, I am now averag ing about 1 sale every day. That's $3,000 a day! This is extraordinary income for any person, but even more incredible for me since I was only trying to supplement my husband's retire ment pension. Thanks to PAS, we can now Really Enjoy our retirement!" **- *Carol, IN***

"I feel really lucky and blessed to have come across an opportunity such as this with people behind it who say what they mean and mean what they say. I haven't qualified yet but I know with all of the improvements made with the ad-spaces, new pas sites, dedicated team leaders, and people behind it all like you it will only be a matter of time. I can't even find the words to express my gratitude but I will say this I finally found what I was looking for in PAS. I also really believe that this is going to work and that's a good feeling." **- *Krishana***

More PAS Business Owner Written Testimonies (continued) ...

"Hi, my name is Charlie. When I first heard of PAS, it was from a spam email that I ignored. Every time I received it, I opened it up and read it, but it seemed too good to be true. I finally opened up one email and I saw one of my good friends had success with three $3,000 commissions totaling $9,000 in two weeks! I asked my friend if I could talk to the CEO, BillOsterhout and my friend three-wayed me into a conversation with Bill.

We had a great conversation and I found out that Bill had been doing my favorite compensation retail business model for 13 years. I also found out that Bill had a big caring heart and wanted to create a business where the ordinary person can absolutely win with - and that was all I needed to hear. **I started my PAS business in early October 2005 and as of today 7 months later; I have earned over a quarter million dollars in net PAS commissions.** In fact, I earned enough automated PAS commissions in my first 4 weeks to make a big hefty down payment on a 3 bedroom, 3 bath, 1600 sq. ft. up-scale Condo and I had enough cash left over to do a $45,000 upgrade and buy all new furniture. I went on vacation for two weeks in South Africa, completely paid for by PAS, and while I was on Vacation my PAS business paid me 12k! I now live my whole life as if I am on an endless vacation! All I have to do is extra advertising, the PAS sorting and sifting and the wonderful PAS Team Leaders do all of the rest!"
- Charlie, San Antonio, TX

"I knew I could do well with a system that does most of the work for you, but I must admit, I was completely surprised when I made over $20,000 my first week without spending a penny on promotions. **I just kept sending people to my website and didn't answer any questions and made over $56,000 my first month.** Within my first two months of doing very little and answering no questions and making no outbound calls, I was able to pay off over $142,000 of debt. That's 6 credit cards, bank loan and a personal loan. I also put thousands into my children's college funds. I've never done this well, this fast, doing this little. I love NOTwork Marketing via the Prosperity Automated System. Now I'm a Team Leader for PAS dedicated to helping others have their best financial year with our incredible system."
- ***Michael Van Leeuwen, USA***

"Hi everyone. You are about to experience the easiest and effortless activity the internet has ever offered before. I have been involved with a few programs in the last 3 years. No support with these programs. PAS has total support with their own web page. Working with a total debt free company was on my list for credibility. Generating $1100 to $3000 was also easier than generating small residual income. I am not an internet guru and with this you do not have to be. SO take advantage of an activity that guides you by your hand to become successful. The unique thing about this activity you can be passive or aggressive, depending on your budget. Take advantage of this program for you and your family. We are here to see your financial dreams happen. PAS do all the work for you. You do no selling, explaining, and do not talk to anyone. Our team leaders do all the work for you. Move onward and upwards and you will be successful! Great success!" – ***Don H, UT, USA***

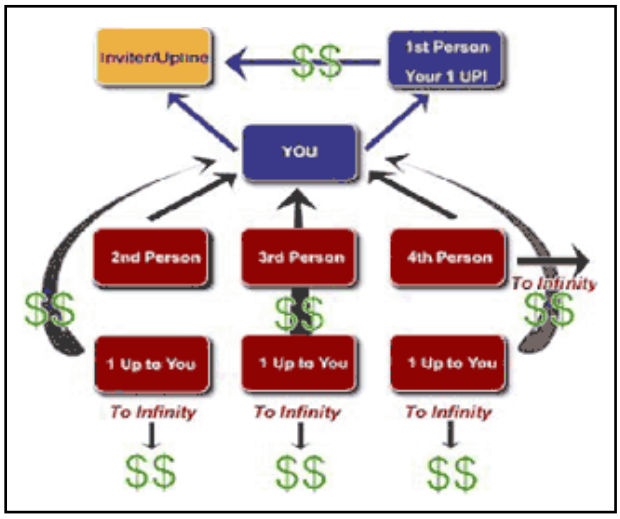
The Incredible PAS "1-Up" Compensation Plan ...

The PAS 1-Up Compensation Plan leaves all other similar models firmly in the shade. Its potency really has to be seen to be fully appreciated.

Here's how it works:

When PAS makes your first sale, that sale is passed up directly to your sponsor – i.e. the person that initially referred you to PAS. You are now fully qualified to earn direct commissions at this point. This is a one off, one time only qualification. Note: The insurance & real estate industry has been using this very same proven 1-Up system for years.



Now at first, you may think that passing up your first PAS sale is not such a great idea. But that's exactly why your PAS income is going to explode. Because when your 2nd sale is made, it opens your 1st profit line and you'll also receive your first commissions ranging from **$1,100** (£630) to **$3,000** (£1,725). Thanks to the 1-Up Plan, each sale (from your 2nd sale onwards) will generate you a substantial ongoing residual income.

This is **not** MLM. It is simply direct sales, where the first sale is a training sale that pays your sponsor. From then on the money comes to you. And we are talking about a lot of money here! And what have you done to earn this income?
Absolutely nothing!
You have not made a single phone call or talked to a single prospect!

REMEMBER – EVERYONE'S FIRST SALE IS A QUALIFYING SALE, meaning it ALWAYS PASSES UP TO THEIR REFERRER (the person who introduced them to PAS). AND **EVERYONE'S DIRECT COMMISSIONS BEGIN FROM THEIR 2ND SALE ONWARDS.** That ruling applies across the board, irrespective of all factors.

Please Note: This page is for explanatory purposes only. You do not need to become fully conversant with the 1-Up Compensation Plan, as the PAS representatives will follow-up on all your prospects for you and fully explain the system to them ... but you can rest assured that the 1-Up Plan is immensely powerful. Should you require further information, simply click/visit the link below to listen to the powerful audio overview of the PAS Income Plan:

PAS Traffic / Ad-Packs - The Key to Success With Your PAS Business!

If you wish to approach your PAS business on a purely ***passive*** basis, this can certainly be achieved, simply by purchasing **PAS Traffic/ Ad-Packs**. Each Pack will cost you just **US$190** (£100) per month.

In return for each purchased Traffic / Ad-Pack, PAS will deliver a number of pre-qualified prospects (expect about 10-15 daily) directly to your **PAS Prospecting System website**.

The fresh **premium quality leads** (prospects) are generated from specific major search engine keyword listings, pay-per-click advertising (Yahoo & Google Adwords™ etc), and via offline advertising in a major business publications, including “Entrepreneur" magazine & “USA Today” ... plus TV features, TV commercials and ads on Sirius satellite radio *(see right of page for further details).*

The **US$190** (£100) is a truly nominal monthly cost, especially when you compare it to a small National press ad, which could easily set you back $540 (£300) - and that's just for the ONE ad for the ONE day! So yes, the Traffic Pack cost is nominal in marketing expense terms. Plus, it would be your *only* marketing expense in reality.

In summary, your PAS Prospecting System automatically finds all the prospects for you, in real time … then it sifts through them using the PAS prospect filter™ technology, eliminating the “dreamers” & “tire kickers”, and ultimately delivering prime quality **ready to buy** prospects, which PAS follow up for you – earning you up to **US$3,000** (£1,725) on every system sale. Check out the next page for a graphical overview of the powerful PAS ***5-Steps To Profit*** System.

Note: If you choose to become **active** with your PAS business, via using direct -mail, buying PAS leads and placing press ads (etc), and *in addition* to purchasing PAS Traffic Ad-Packs, then rest assured that your PAS income will truly **explode**.

As a PAS Business Owner within our Mega Wealth PAS Group, we will provide you with literally everything you need to facilitate your own marketing & promotions, included fully personalized sales letter, flyers and much more. *Further details can be found later in this brochure.*

Ultra-Low PAS Business Start Up Costs ...

Now you can own your very own immensely profitable Globe spanning business, for a fraction of the usual cost.

PAS Business Ownership can now be your for just **$1,995** (£1,150) or **$3,895** (£2,240). We never make a secret of the start-up costs, because we don't see the need to do so.

Why? Simply because if you wanted to just open a basic store in your local neighborhood, it would cost you anything from **$50,000** to **$100,000** - maybe even more? Even a basic off-the-shelf Franchise business would cost you from **$25,000** upwards - (see other examples in the right hand panel).

Then, take into account all those ongoing recurring costs - office rent, business rates, overheads, staff, wages, equipment, lighting & heating, telephone lines, transport, letterheads, credit card merchant facilities, banking charges, printing & stationery etc. And don't forget the endless hours you'll be required to put into the business to get it off the ground in the first place, plus all the paperwork, accounting, billing and invoice "chasing" you'll need to attend to, week in, week out. And that's just for a small local business or Franchise. Imagine the costs if you were starting a Global business! Even if you could pay all these costs up-front, you would have no guarantee that your business will work, and no guarantee the business would even be profitable!

Therefore, looked at in perspective, the business start-up cost from just US$1,995 (£1,150) - for your own ready-made PAS Home-Based Business is nothing.

Compare the high start-up costs of a conventional business enterprise or Franchise, against that of PAS ...

- Wheelie Bin cleaning franchise - $32,000
- Tire Sealant Franchise - $36,000
- Cleaning Materials Franchise - $22,850
- Carpet Cleaning business - $24,950
- Will Writing business - $17,950
- Office Services Franchise - $95,000
- Cafe' / Fast Food (Local) - $180,000
- Gold Plating business - $17,995

When comparing businesses, you should also take into account:

1. The hours you would be required to put in to the business,

2. Their respective ongoing weekly running costs, and ...

3. The time it would take to fully recoup your initial outlay.

The above randomly chosen businesses may well be very good ones, but you will be very hard pressed to find any other business as immensely profitable and with as many amazing benefits as those offered by PAS ...

Receive Instant Payment & Work Minutes a Day from Anywhere ...

Forget waiting around in the hope of being paid for your efforts – or being paid late, (or not being paid at all!). Maybe you've been there before? If not, I can tell you now, it's no fun at all.

However, with your globe-spanning PAS business, you'll never have such problems again. Why? Simply because with every sale PAS make for you, you will receive the payment directly, in <u>your</u> preferred format.

<u>For example</u>: You can choose to be paid via check (cheque), bank draft, money order, bank-to-bank wire transfer, online via credit card *(via the FREE merchant account PAS provide you with)*, or Western Union or eGold etc. The choice really is yours … but with each and every system sale PAS make for you (and with all the sales you'll have passed up to you), you always get paid first - even <u>before</u> the company.

Receive payment directly, in <u>your</u> preferred format - even before the company!

(Via check, draft, bank wire or credit card)

THINK ABOUT THAT FOR A MOMENT … No more waiting for payment, no more waiting for "the company" to pay you out. No more delays. No more excuses. When you make sales, you get paid the very same day – not weeks or months later – but the same day.

How powerful is that?

Work from your home, spare room or office, at times to suit. ***You're the boss!***

Manage your PAS business any time & from anywhere ...

If you wish to take an active roll with your PAS, and boost your income to even higher levels, then you're more than welcome to do so. We'll show you how to achieve that in just a few minutes each day.

Your geographical location is totally irrelevant with the revolutionary PAS business system. So, if you're operating your PAS business from your kitchen table in **Taiwan**, your lounge in **London**, or your veranda in **Virginia** - it makes no difference whatsoever.

You are your own boss! You set the hours you work - and the time you work, without any interference with your current employment, present commitments or current lifestyle

Remember: Anyone can do this. Whether you are currently employed part-time or full time, unemployed, a school leaver, retired, redundant, disabled, a student, single parent or a busy housewife, the amazing PAS business system will totally transform your lifestyle (and your income) to a level you have only previously dreamed of.

Q: What is the Prosperity Automated System, and how does it market the other opportunities, affiliate deals & products I'm currently involved with?

A: Following many years of development, and with an investment in excess of $3m, The Prosperity Automated System (PAS) is quite simply the most advanced online business & prospecting system of it's kind in the world today.

It is a very powerful prospecting and sorting system which attaches itself to the search engines, and attracts people who are serious about building an online income. It then electronically sorts through all these prospects to weed out the tire kickers, so you don't have to - by talking with each prospect personally. This saves hours upon hours of phoning strangers and cold calling ... something that is for most a major cause of failure.

The result is that only serious buyers remain in your system. If they purchase a system from you, that's great! If not, they can still generate revenue for you via purchasing one of your additional products or opportunities. This is achieved via our *Megawealth-Adwords*™ module and the strategic placement of up to 6 high-visibility product ads, featured within your main website So, if you already have a product range to market, or you are currently involved in any other home-business opportunities or affiliate programs, your PAS system can help you make **additional** income generating product sales too.

Note: If you don't already have a high profit generating additional product, we'll be happy to suggest a variety of possible businesses or affiliations that create additional revenue streams for you. Whichever way you look at it, and with all the multiple income streams working within your PAS business, you simply *cannot* fail.

So simply look at PAS as very similar to paying for a service, just as you would do a telephone company or Internet service provider - i.e. you are paying to access and use their service, you are not buying or paying for a physical product.

You are also (of course) indirectly paying for the PAS system to generate prime quality leads (prospects) and for the PAS sales team to follow up on all your leads (prospects) for you. Ultimately, you either "use" the PAS system to help you market any other home businesses or Affiliate programs you are currently involved with - or you use the PAS system and allow it to market itself. *The choice is yours.*

Q: Where are all the leads (prospects) generated from?

A: They will be generated as a direct result of the online and offline marketing you undertake. Remember, all you ever need do is invite people (prospects) to your website. No more. No less. We'll show you how to do this quickly and effortless, via numerous tried tested & proven online and offline methods.

PAS: The Most Frequently Asked Questions (FAQ) ...

Q: I've read about PAS Traffic / Ad-Packs. Can you explain exactly what a "PAS Traffic Pack / Ad Pack" is?

A: Yes. This is just one of many hands-free promotional methods you could use. When you purchase a PAS Traffic / Ad-Pack, just look upon it as a payment to PAS, which buys you a piece of the PAS hi-tec cutting edge online & offline "marketing pie".

The fresh **premium quality leads** (prospects) are generated from specific major search engine keyword listings, pay-per-click advertising, (Yahoo & Google Adwords™ etc) and via offline advertising in a number of major business publications, including "Entrepreneur" magazine & "USA Today" ... plus TV features, TV commercials and ads on Sirius satellite radio. PAS are also exploring additional marketing avenues on an ongoing basis. Check out **Page 9** of this brochure for further details.

A PAS Traffic / Ad-Pack will cost you the princely sum of **$190** (£100) per month. This is truly nominal, especially when you compare it to many other methods.

So, in return for each Traffic Ad-Pack purchased, your PAS business system will receive a pre-determined number of fresh premium quality leads (expect 10-15 daily), generated from PAS's own online and offline marketing efforts.

Q: Are the PAS Traffic Packs purchased separately? How do I buy them?

A: Yes. Further details of this option are available within your PAS back-office website.

Q: Is there a limit to the number of Traffic Packs I can purchase?

A: No, but there is a limit of FIVE Traffic Packs per month, per PAS position. So, if you wanted to purchase 10 Traffic Packs (for example), you would also need to purchase a further PAS position @ $3,895 (£2,240).

Q: Is it compulsory that I have to purchase a PAS Traffic Pack (or packs)?

A: No it is not compulsory, but merely optional. We'll show you how to drive interested prospects to your website via numerous tried tested & proven online and offline methods.

Q: How many PAS business packages are available? What do they cost?

A: There are 2 PAS Business Packages available:]

- The PAS **Premier** Package at **$3,895** (£2,240).
- The PAS **Basic** Package at **$1,995** (£1,150).

Taking into account the massive long term profitability of your PAS business, and the average cost of a conventional "bricks & mortar" business, even the Premier package entry cost of **$3,895** (£2,240) is nominal. You also have the option to join PAS as an Associate only for $49. Check this FAQ for further details.

Notes:

PAS: The Most Frequently Asked Questions (FAQ) ...

Q: What is the difference between the two packages?

A: Aside the nominal entry-level difference of **$1,900** (£1,055), the overall difference is huge. For example:

- At the **Premier** level, you'll receive **$3,000** (£1,725) commission per **$3,895** (£2,240) sale – or **$1,100** (£1,725) per **$1,995** (£1,150) sale, which PAS makes for you.
- At the **Basic** level, you'll receive a maximum of $1,100 commission irrespective of the value of the sale PAS make for you.

Q: Does it make sense for me to join at the Basic $1,995 (£1,150) level?

A: Well, if **$1,995** (£1,150) is the absolute maximum you can afford, then yes it does - because you would be ultimately better off in PAS at the Basic level, than not in the business at all.

However, if you can join at the **$3,895** (£2,240) Premier level, then it would make plain business sense to do that.

Take the following as an example.

- John joins at the PAS Basic level.
- PAS make (close) 10 sales @$3,895 (£2,240) for John.
- John earns commission of: **$11,000** (£6,360)--- (i.e. $1,100 (£630) x 10 sales)
- Bob joins at the PAS Premier level.
- PAS make (close) 10 sales @$3,895 (£2,240) for Bob.
- Bob earns commission of: **$30,000** (£17,340)--- (i.e. $3,000 (£1,725) x 10 sales)

In the example, John initially "saved" himself $1,900 by joining at Basic level ... but alas, after just 10 sales, he's already LOST **$19,000** (£10,990).

Q: Surely most people join PAS at the Basic $1,995 (£1,150) level though?

A: No they do not. 82% of people join at the Premier level, for reasons numerous. It just makes plain business sense to do so.

Q: So if I join at the Basic level and PAS make a Premier sale for me, I only receive $1,100 (£630) commission on that sale?

A: That is correct.

Q: What happens to the "surplus" $1,900 (£1,055) from that sale?

A: It goes to your referrer.

Notes:

PAS: The Most Frequently Asked Questions (FAQ) ...

Q: Can I upgrade from Basic level to Premier level at a later date?

A: Yes. You can upgrade from Basic to Premier level at any point, simply by paying $500 (£290) to PAS, plus $1,900 (£1,055) to your referrer. In addition, you will also be required to qualify (again) at the Premier level by passing up your first sale to your referrer.

Q: Is there another PAS entry level?

A: PAS has an "Associate" position available at $49. This does not include any promotion by the company, plus you will be required to do all your own marketing & promotion and pass your first THREE product sales prior to becoming qualified. If you are truly serious about increasing your income, this entry level should be avoided. Check out the corporate PAS website for further details of this option.

Q: Are there any additional, extra or "hidden" costs involved?

A: At the end of your licensing period, you will be required to renew the license for your PAS business system at a cost of $300 (£172). Premier business package owners renew every 3 years. Basic business package owners renew every year.

Aside that, the only additional costs would be relevant to any direct marketing or advertising of your PAS business you choose to undertake. We'll be happy to help and advise you on this if required.

Q: How does the PAS "1-Up Compensation Plan" actually work?

A: The PAS **1-Up Compensation Plan** leaves all other similar models firmly in the shade. Its potency really has to be seen to be fully appreciated.

Here's how it works:

When PAS make your **first** sale, that sale is passed up directly to your sponsor – i.e. the person that initially referred you to PAS. You are now **fully qualified** to earn direct commissions at this point. It is a one off, once only qualification. Note: The insurance & real estate industry has been using this very same system for years.

Now at first, you may think that passing up your first PAS sale is not such a great idea. But I can tell you now, that's exactly why your PAS income is going to **explode**.

Because, when your 2nd sale is made (we'll call him **Steve**), it opens your 1st **profit line** and you'll also receive your **first $3,000** (£1,725) commission.

REMEMBER – EVERYONE'S FIRST SALE IS A QUALIFYING SALE, meaning it ALWAYS PASSES UP TO THEIR REFERRER (the person who introduced them to PAS). AND EVERYONE'S DIRECT COMMISSIONS BEGIN FROM THEIR 2ND SALE ONWARDS. That ruling applies across the board, irrespective of all factors. Remember it at all times. The plan only gets confusing when you forget it.

PAS: The Most Frequently Asked Questions (FAQ) ...

Now, back to business; When **Steve** makes his first qualifying sale, that sale will automatically be passed up to you (you are Steve's referrer, remember). That's another **$3,000** (£1,725) in commission for you, and that sale was literally *given* to you. Hopefully you're now starting to see the awesome earning power of the PAS "1-Up Compensation Plan".

But hold on a moment. It gets even better… because Steve's qualifying sale (we'll call her **Emma**), that's the sale he passed up to you … well, Emma's first qualifying sale (**Mary**) will **also** be passed up to you. That's another **$3,000** (£1,725) in commission for you.

Mary's first qualifying sale (Sam) also passes up to you – and that's another **$3,000** (£1,725) in commission … then …

Sam's first qualifying sale also passes up to you – and that's another **$3,000** (£1,725) in commission … and so and so forth.

So … even in the brief example above, and from your first direct sale (Steve), you have already earned **$15,000** (£8,670)

Better still, this process of qualifying sales rolling up to you, goes on to infinity. It never stops. Check out the graphical representation below for further clarification.

REMEMBER – EVERYONE'S FIRST SALE IS A QUALIFYING SALE, meaning it ALWAYS PASSES UP TO THEIR REFERRER (the person who introduced them to PAS). AND EVERYONE'S DIRECT COMMISSIONS BEGIN FROM THEIR 2 ND SALE ONWARDS. That ruling applies across the board, irrespective of all factors. Remember it at all times. The plan only gets confusing when you forget it.

Q: Is there a limit to the income my PAS business can generate?

A: No. You can make as much (or as little) as you like. Your income is only really limited by your own direct actions. For example … just 1 PAS sale a week (made for you by the Company) will give you an extra **$156,000** (£90,000) per year in your pocket.

2 sales a week equates to **$312,000** (£180,000) a year extra income. You do the math for yourself. It's not rocket science.

PAS: The Most Frequently Asked Questions (FAQ) ...

Q: How does the typical PAS sale process work? Can you give me an example?

A: Yes. It's a straightforward step-by-step process, as follows:

- Bob (in this example) **visits your PAS website*** (this could be as a direct result of your PAS Traffic Packs, or a promotional activity you've carried out yourself), and submits his name & email address details. This not only grants Bob access to the main PAS website*, but it also ensures that Bob will receive his Free Bonus Incentives, as detailed in the main website.
- Bob proceeds to enter your main PAS website*, and start to work through the pages in order to fully evaluate the business. This includes watching the PAS Movie & video testimonies, and listening to the audio recordings etc. Sufficiently interested, Bob then completes and submits his "**Contact / Call Back Request**" form directly from the website*.
- Within 24-48 hours (or virtually *instantly* if Bob is based in the US), Bob **receives a call** from a PAS representative, and gets all his relevant questions answered on the spot.
- Bob proceeds to **join** the PAS business.

That's another **$3,000** (£1,725) sale, and another hefty commission payment straight into your bank account!

*Note: In the above example, the "PAS website" relates to the website/s provided to you free of charge by The Mega Wealth PAS Group.

Q: How do I get paid?

A: All your customers pay you directly, by your preferred payment methods … i.e. check (cheque), bank draft, money order, bank-to-bank wire transfer, PayPal, e-Gold or Western Union etc.

Q: How many leads will PAS follow up for me?

A: The PAS sales representatives (team leaders) will follow up on **ALL** your leads.

Q: How will I know how they are progressing with each prospect?

A: You will be able to check on the progress of ALL your prospects via your PAS back-office website - so you'll know the exact state of play at all times.

Q: Do I have to do any marketing myself?

A: Any marketing you do is purely optional. However, as with any business, if you do not carry out (or arrange) ANY marketing at all, you will not generate any prospects, nor any income. It's as simple as that.

Remember, all you ever need do is invite people (prospects) to your website. No more. No less. We'll show you how to do this quickly and effortless, via numerous tried tested & proven online and offline methods.

PAS: The Most Frequently Asked Questions (FAQ) ...

Q: Will sales & commissions start raining down on me right from day 1?
A: No they will not - but your PAS business system will generate sales, proportionate to your level of activity.

Q: Can everyone afford to join PAS?

A: No. Millions can't - but hundreds of millions can. To put things in perspective, someone looking to start up even a small local business would need several thousand $/£'s just to get started. Furthermore, they would be lucky to buy a new PC, desk & chair for $3.895 (£2,240). *Check out the website for further details and business start-up comparison costs*. You'll be truly amazed at how inexpensive PAS Business Ownership really is, when compared to everything you receive.

Q: If I decide to become active, what methods should I use?

A: The best promotional methods would be direct mail, press advertising, traffic packs, buying PAS leads. Further details of all these options (and more) will be included within your MWG-PAS Admin website, which we'll provide you with shortly after joining the business. We can also handle your PAS direct mail campaigns for you, if required.

Q: Can I only market PAS in my own country?

A: You have no territorial restrictions whatsoever. If you wish to concentrate your online or offline marketing into the UK, US, Europe, The Far East or Australia – then you are welcome to do so. Here at the Mega Wealth Group, we'll be happy to help, guide and advise you accordingly and provide you with the relevant promo materials, guidance & contacts.

Q: How will my sales be tracked? How will PAS know I am the referrer?

A: Everything will be tracked via the unique ***username*** chosen by you at the application stage, and assigned to your business and websites. As soon as any of your prospects submit their details from your Callback Request page, they will be automatically "tied" to you for life, irrespective of who they join under at any future date.

Q: How do I know this is not an over-hyped opportunity like the many going around?

A: You can only take our word or it, and submit a Call Back request in order to discuss the business further. You can also check out pages **4** to **7** of *this brochure* to read extensive testimonies from dozens of delighted PAS business owners from around the world.

PAS: The Most Frequently Asked Questions (FAQ) ...

Q: Is The Prosperity Network Inc a member of the BBB?

A: Like most companies, PAS chooses not to pay the high fees necessary to be a member. For a company such as PAS, with large sales volumes, the membership fees become astronomical. However, the BBB is very good about collecting complaints about non-member companies and reporting them. In fact, the only way they would even know about PAS would be if there were complaints. So, if you check with the Better Business Bureau and do not find any information on the Prosperity Network Inc, then you know there are no complaints. By the way, in over 12 years and at the time of this writing, the BBB has never had a single complaint. Fact.

Q: I'm looking to use my PAS system to promote one of my other business ventures ("XYZ"). Will the PAS sales team follow up on the leads & prospects from my "XYZ" business too?

A: No they will not. PAS will only follow up on all your PAS leads & prospects. Your PAS system will, of course, also generate leads & prospects for your "XYZ" business, but you will be required to follow these leads up yourself.

Q: How soon can I get started with PAS?

A: You can start right now by visiting my website (see below) and submitting a ***"Call Back Request".*** As soon as you receive a call from a PAS Representative, (this will be virtually instantly if you're based in the North America), simply advise them that you wish to proceed immediately.

Dependent upon your chosen payment method (i.e. check (cheque), bank draft, money order, bank-to-bank wire transfer, PayPal, or Western Union etc.), we'll set up your MWG PAS websites and have you fully up and running within 24-48 hours from receipt of your respective remittance. You can also purchase PAS Traffic Packs at that stage too, to facilitate an immediate and productive start to your PAS business.
